

Hair Styling and Makeup Artistry Diploma Program

Our Hair Styling and Makeup Artistry Diploma Program was designed to give you the right mix of theory and practical hands-on training to increase your knowledge and improve your skills in hair styling and makeup applications. You will discover exciting career opportunities in a variety of industries, from film and television, fashion, beauty, special effects makeup, weddings and magazine, or even start your own business.

Our students learn within a salon-like environment that creates a real-life setting for your work. We believe in small class sizes that provide the one-on-one attention you need to excel. Plus, our interactive learning environment enables students to master the skills, training and necessary practical experience vital to becoming a leading hairstylist. We also deliver basic and advanced makeup application and training to ensure our students are taught new techniques being used today. Our program focuses on fundamental theory and hands-on application in makeup styles and techniques, tools and essential products, skincare and preparation, and so much more.
